Vacation real estate is an attractive investment.

If you want to invest your money with a good return and in a safe form, then a property is recommended as an investment.

Different factors are primarily decisive for a vacation property:

- Accessibility
- location
- Structural developments
- Value increase prognosis

These ultimately determine the purchase price and thus your subsequent profitability.

Real estate prices on the central Mediterranean island of Mallorca continue to rise and are highly attractive.

Daily and often multiple flight connections from various airports in Germany and Austria are also available in the winter season at reasonable prices and make the vacation island with its mild Mediterranean climate especially interesting for commuters.

Nevertheless, the right region is crucial for a high return on investment.

The southeast of the island is the region of Santanyi is hardly affordable, on the other hand, the region around Felanitz and Cas Concos is quickly accessible due to the new highway connection since 2021. Around 20-30 minutes drive from the airport, the region is highly interesting for investors and capital investors from all over Europe due to its currently favorable real estate prices.

Location

Cala d'Or is a very popular beach area on the southeast coast of Mallorca, south of Portocolom and near the coastal town of Portopetro. In Cala d'Or it is possible to enjoy a complete vacation experience, as it offers beautiful beaches and a varied nightlife. Besides, you can make interesting excursions and enjoy the well-preserved nature.

Cala d'Or is an ideal tourist center for families, couples and sailing enthusiasts. The area is characterized by its sandy beaches, which delight all types of swimmers, and by its numerous small coves. Thus, besides Cala d'Or beach, there are many others nearby that are worth visiting, such as Cala Gran, Cala Petita, Cala Ferrera, Cala Egos, Cala Esmeralda, Cala Serena, Cala Galera and Cala d'es Forti. There are also quieter areas that invite you to relax. This vacation complex offers a good combination of bars, restaurants and stores for shopping, including some prestigious brands.

In the heart of Cala d'Or you will find a well-equipped marina, as well as the Club Naútico de Cala d'Or, which opens many areas to the public. On the quay you will find restaurants, bars, supermarkets and banks. Thanks to more than 600 moorings and the exclusive services it offers, Cala d'Or has one of the most luxurious and largest marinas on the island, along with those of Palma, Port Adriano and Andratx. There is no doubt that it is a wonderful place and worth exploring the town and its surroundings. When you walk around Cala d'Or, you will notice that this place is not like other Majorcan resorts. The buildings, flanked by pine trees, are usually two-story and are characterized by their cubic shapes and whitewashed facades. The style of Cala d'Or was inspired by Ibiza, and the area was redesigned from the ground up.
